

Participant Guidelines and Requirements

Welcome! We are excited to welcome participants into the Center facilities with limited activities! As we slowly reopen, we want to be very thoughtful and re-open in a way that eliminates risk and keeps everyone healthy. We are in this together – working together & keeping each other COVID-free. For us to be safe and healthy, you must agree to the following requirements:

Before you arrive at CSC:

- Check your temperature at home; stay home if your temperature is > 100 degrees
- Flu, cough, diarrhea, or fatigue, stay home - come in when you feel better
- Bring your face mask to wear at CSC – it is required!

When you arrive at CSC:

- Enter only at the identified entry doors – look for the Welcome sign
- **You must wear a mask** - it must cover your nose & mouth, the whole time!
- **Sanitize your hands** once you enter the Center
- **Social distance** at all time –6' feet apart
- Your temperature will be scanned to ensure you are fever free

During your visit at CSC:

- Do not walk around CSC – stay in the area where you are directed
- Do not get physically close to any other person – 6 feet apart!
- No physical contact with anyone – elbow bump or wave to acknowledge others
- You must wear a mask at all times while in the building
- No coffee/tea service provided - bottled water available if needed

As you leave CSC:

- Take materials given to you as you leave
- Exit as directed to prevent crowding at entry areas
- Do not congregate outside the building
- Wear your face-mask until you are in your car

If you are unable to Please remember that we are all in this together, keeping each other safe as we provide support and care. If you have any questions, please ask us – we are here to help you during your cancer battle. Thank you - we look forward to walking this cancer journey with you!
